To My Valued Clients:

Announcing Pistachio Hair Studio

It is my distinct pleasure to announce that I will be opening my own salon later this summer! Conveniently located at Melrose Plaza (near Rancho Santa Fe Rd and Melrose Dr.) and a short distance from Arezzo Salon, *Pistachio Hair Studio* will be one of the area's largest high end hair salons offering distinctive hair and skin concepts. More information about our Grand Opening celebration will be sent to you in the coming weeks.

Temporary Relocation

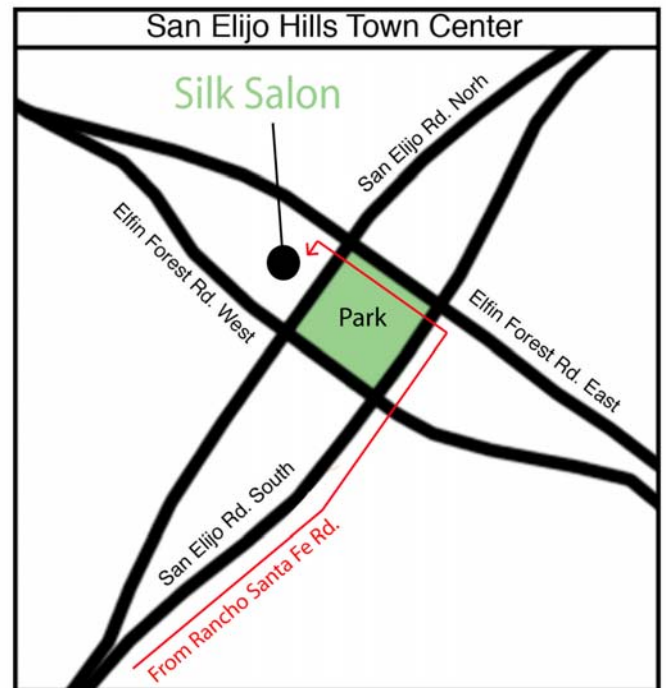

Starting May 15, 2010, I will be temporarily relocating to a small and unique hair studio located in San Elijo Hills for a period of about 2 months as I await the completion of Pistachio Hair Studio.
